

## Stay at home ideas

- **Make a card for your friends and family**

Think about the people you care about. What makes them so special? How do they make you feel? What kind of things do you like doing with them? Draw a picture of you and them. Mark-make and write a message to them.

PSE

- **Invent your own mark making tool.**

Can you think of a fun way to invent a pen or paintbrush? Perhaps you could use a toothbrush, or the end of a stick to paint. What about if you make some holes in cardboard and stick pens in there and draw. Or you could tape a pen to a stick. It

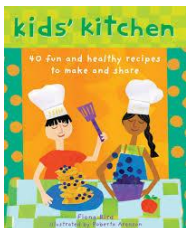

might also be fun to tape some pens together and then see what marks you can make.

**PD/Lit/EAD (steam challenge make your own paintbrush)**

- **Make a recipe book.**

Have fun helping out to make a dish or bake. How would you go about recording the recipe? If you want, you could look at a recipe book with your adult for some handy hints.
