

The Bear Went Over the Mountain

Oh, the bear went over the mountain,
 The bear went over the mountain,
 The bear went over the mountain,
 To see what he could see.

But all that he could see,
 But all that he could see,
 Was the other side of the mountain,
 The other side of the mountain,
 The other side of the mountain,
 Was all that he could see.

So, he went back over the mountain,
 He went back over the mountain,
 He went back over the mountain,
 To see what he could see.

But all that he could see,
 But all that he could see,
 Was the other side of the mountain,
 The other side of the mountain,
 The other side of the mountain,
 Was all that he could see.
 All that he could see!
