

You've

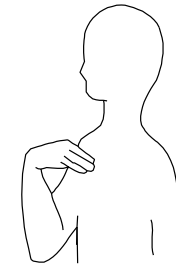

got

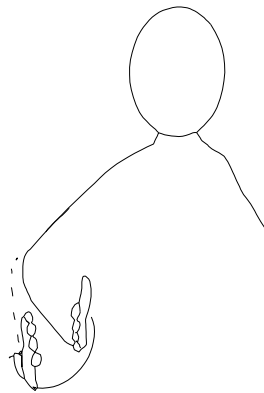

Small downward movement twice

a friend

in

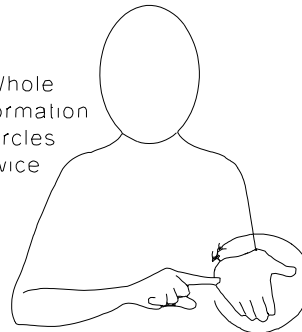

me

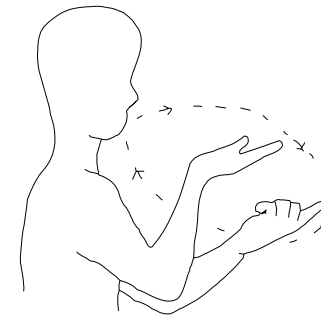

From

Whole formation circles twice

Toy

Story

You've

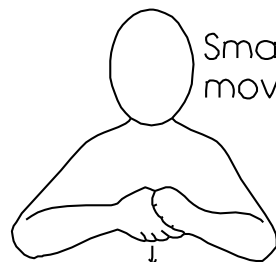

got

a

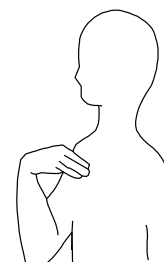

friend

in

me

Small downward movement twice

You've

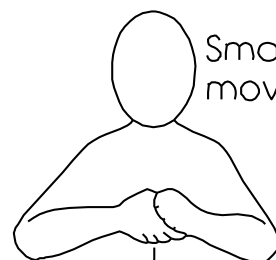

got

a

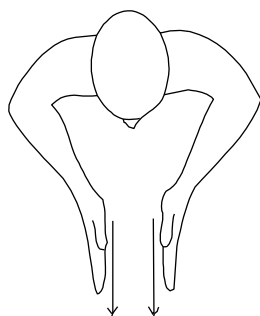

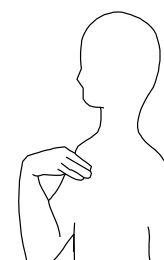

friend

in

me

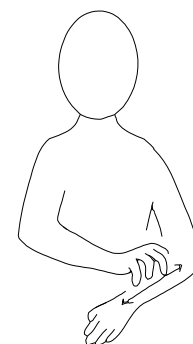

Small downward movement twice

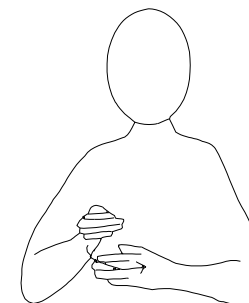

When

the

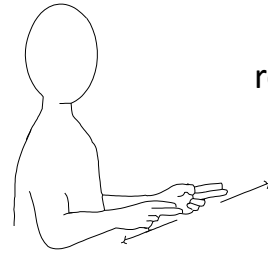

road

looks

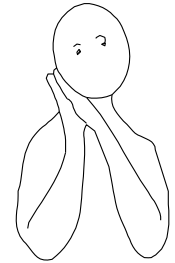

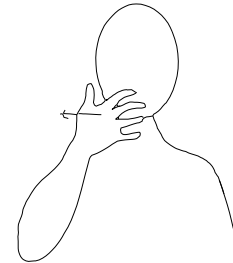

rough

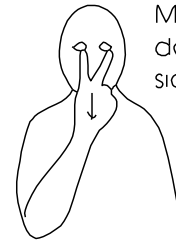

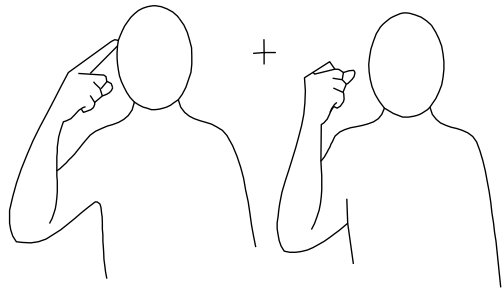

repeat

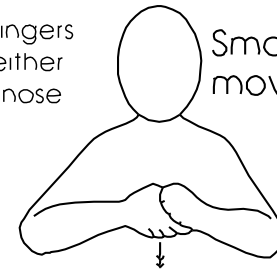

And you're miles and miles

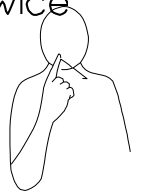

From your nice warm bed

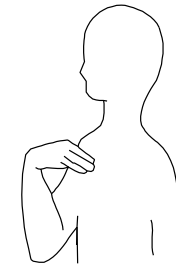

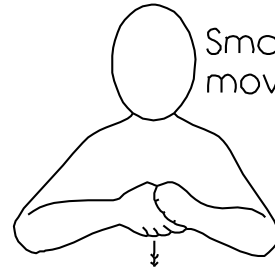

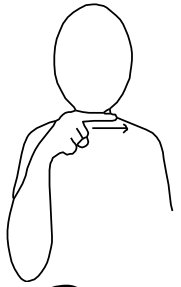

Move fingers down either side of nose

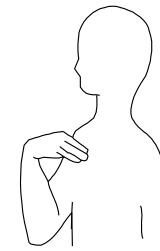

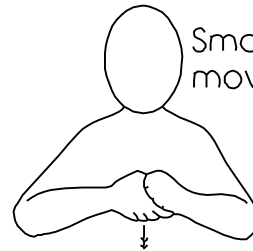

Small downward movement twice

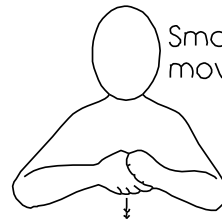

Just remember what your old pal said

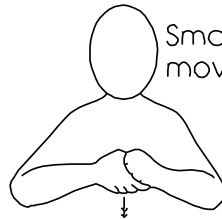

Boy you've got a friend in me

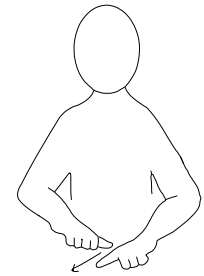

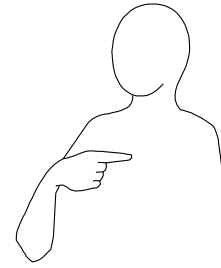

You've got a friend in me

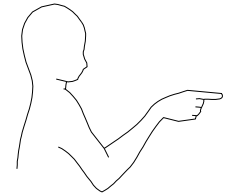

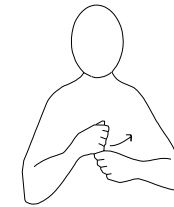

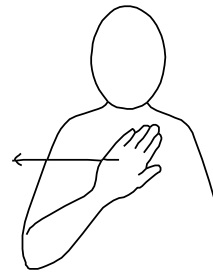

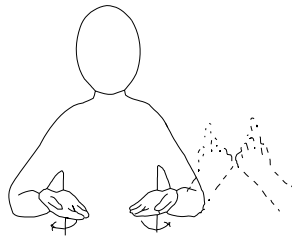

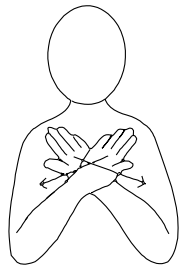

You've got a friend in me

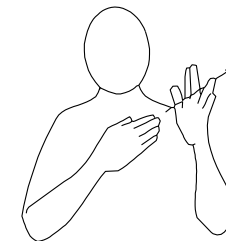

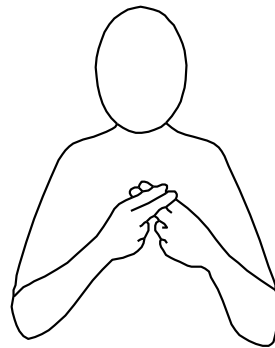

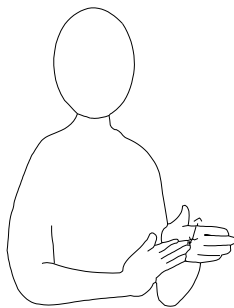

You've got a friend in me

You've got troubles, well I've got 'em too

There isn't anything I wouldn't do for you

We stick together and we see it through

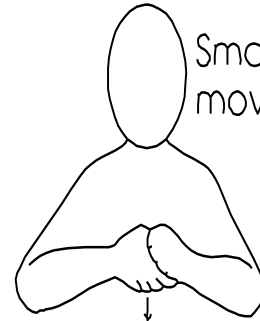

You've

got

a friend

in

me

Small downward movement twice

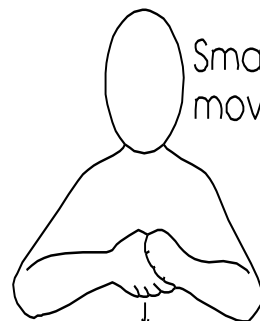

You've

got

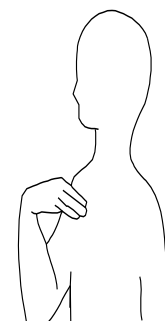

a friend

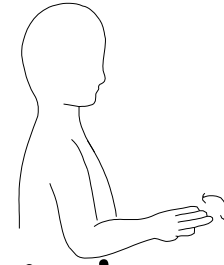

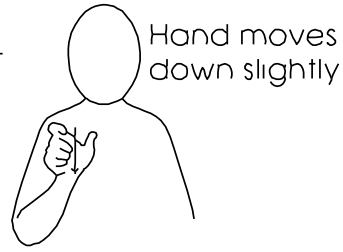

in

me

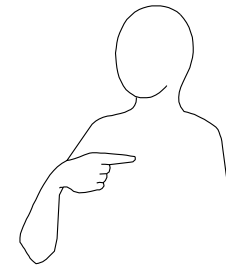

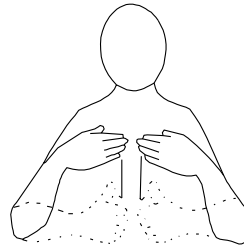

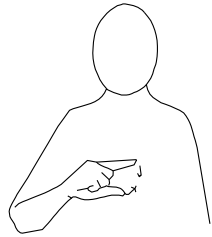

Small downward movement twice

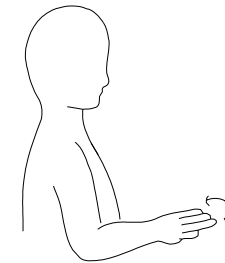

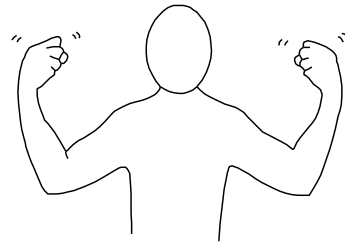

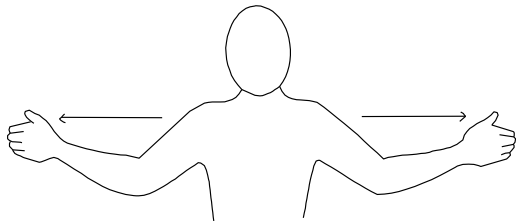

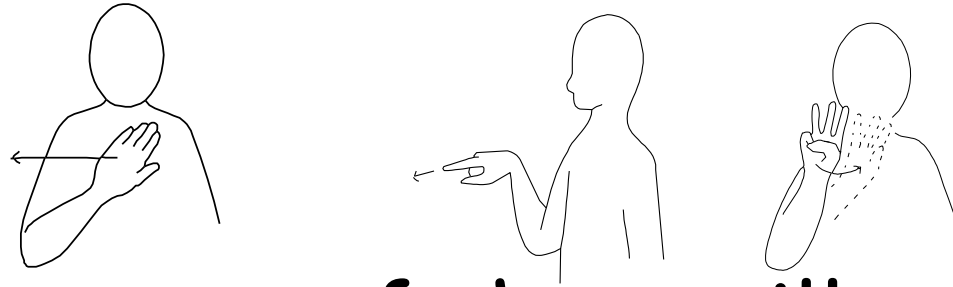

Some other folks might be

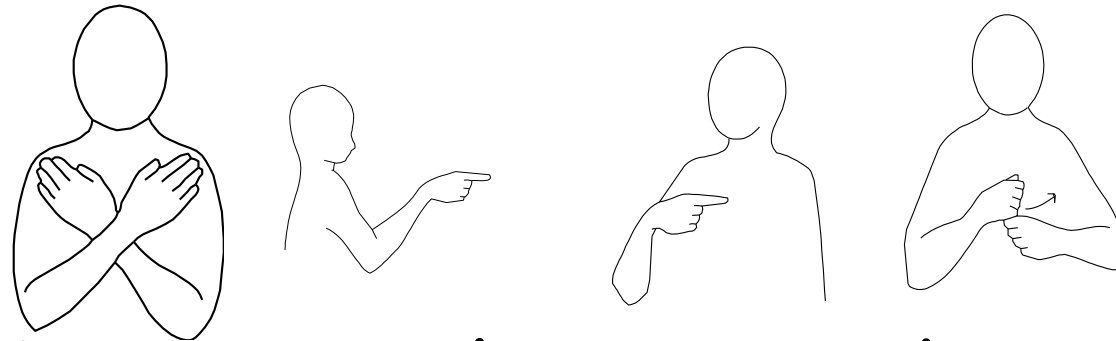

A little bit smarter than I am

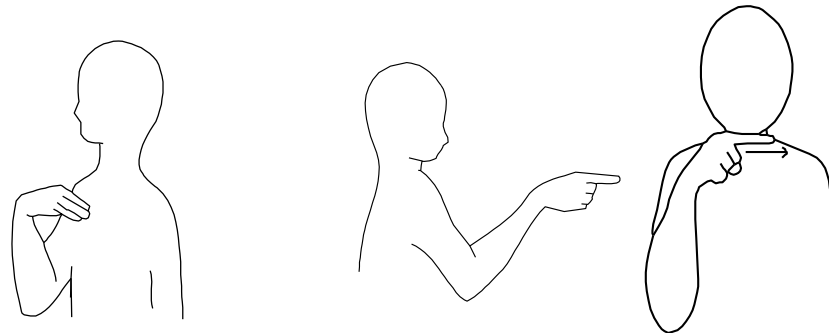

Bigger and stronger too, maybe

But none of them will ever

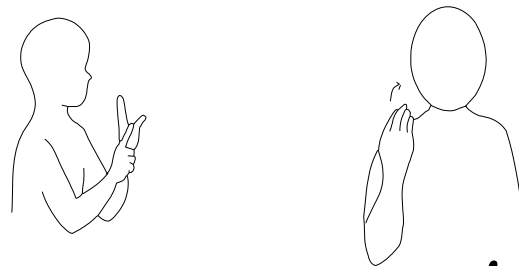

Love you the way I do

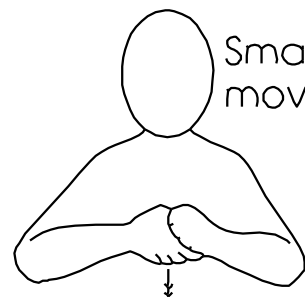

It's me and you boy

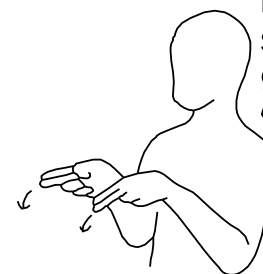

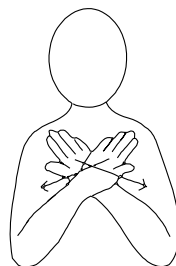

And as the years go by

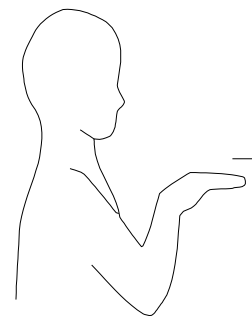

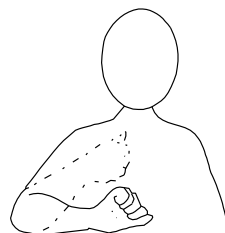

Small downward movement twice

Movement should be gradual and gentle

our friendship will never die

You're gonna see, it's our destiny

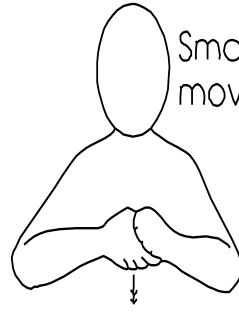

You've

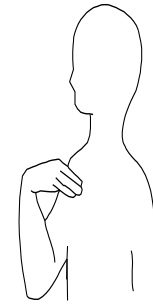

got

a friend

in me

Small downward movement twice

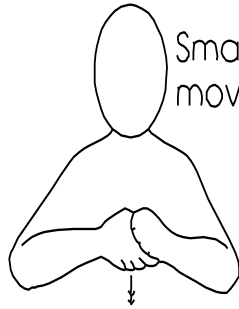

You've

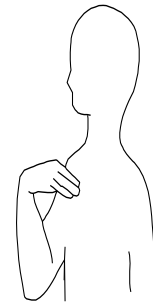

got

a friend

in me

Small downward movement twice

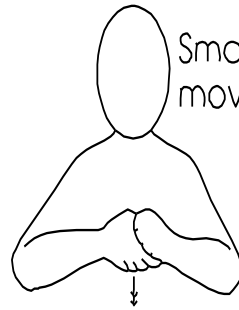

You've

got

a friend

in me

Small downward movement twice
